2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

ORDERS IN COUNCIL.

AT THE EXECUTIVE COUNCIL CHAMBER.
VICTORIA, 7th February, 1917.

PRESENT:

THE HONOURABLE THE ADMINISTRATOR
IN COUNCIL.

ON the recommendation of the Honourable the Attorney-General and under the provisions of the "Court Rules of Practice Act" and all other powers thereunto enabling, the Honourable the Administrator of British Columbia, by and with the advice and consent of his Executive Council, doth order as follows:—

1. During the war no probate of a will or letters of administration of the estate of any German, Austro-Hungarian, Turkish, or Bulgarian subject, wherever resident, shall be granted in respect of any assets in this country without the express licence of the Crown acting through the Minister of Finance.

2. In all cases where probate or letters of administration are granted during the war to any person entitled thereto, the grant shall be made upon the condition that no portion of the assets shall be distributed or paid during the war to any beneficiary or creditor who is a German, Austro-Hungarian, Turkish, or Bulgarian subject, wherever resident, or to any one on his behalf, or to or on behalf of any person resident in Germany, Austro-Hungary, Turkey, or Bulgaria, of whatever nationality, without the express licence of the Crown acting through the Minister of Finance; and if any distribution or payment is made contrary to this condition the grant of probate or letters of administration will be forthwith revoked.

3. Any applicant for letters of administration or probate during the war shall furnish evidence to the satisfaction of the Judge to whom application is made that the person in respect to whose estate such probate or letters of administration are applied for was not a German, Austro-Hungarian, Turkish, or Bulgarian subject; or, failing such evidence, shall produce the licence of the Crown that such probate or letters of administration may be granted. Such applicant shall also give such information as the Registrars of the Courts may require in order to ascertain whether any of the assets would in time of peace be distributable or payable to any such subject, and if required shall make a

statutory declaration as to the assets and their disposition in the event of probate or letters of administration being granted.

4. In cases deemed by him proper, the Minister of Finance may sanction the payment of moderate sums out of assets to beneficiaries or creditors who are German, Austro-Hungarian, Turkish, or Bulgarian subjects resident in Canada at the commencement of the war and during the war.

And that the Orders in Council herein, Nos. 711 and 1201, be rescinded.

NOTICE is hereby given that His Honour the Lieutenant-Governor in Council, has been pleased to approve the following rules and regulations under the "Soldiers' Land Act":—

RULES AND REGULATIONS GOVERNING THE GRANTING OF HOMESITES AND THE BUILDING OF DWELLINGS FOR RETURNED SOLDIERS.

1. "Homesites" are residential lots not less than 50' x 120' which have been acquired for the purpose of affording free homesites to returned British Columbia soldiers who follow industrial occupations in or near existing centres of industry, and also to the dependents of those who have been killed and to returned soldiers who have been disabled.

2. For the purpose of these rules and regulations the interpretation of "soldier" shall be as set out in subsections (a) and (b) of section 2 of chapter 80, Statutes of British Columbia for 1918, being the "Soldiers' Land Act."

3. The allotment of homesites shall be made by drawing in a manner to be determined by the Minister of Lands; but priority will be given to the applications of widows and disabled returned soldiers according to the degree of disability or dependents of soldiers who have died in or on account of their service, according to degree of dependency.

4. Each applicant for a homesite shall deposit with his application a fee of \$10, which fee, should the applicant be successful, will be credited to the first deposit when the contract or agreement is signed, or forfeited should the applicant fail to comply with or enter into the agreement.

5. Should an application for a homesite be refused for any reason the fees paid in connection herewith shall be promptly returned to the applicant.

6. Dwellings of a maximum value of \$2,000 will be built on a plan to be selected by the soldier from

the approved plans of the Department of Lands on each homesite upon the entering into of a contract or agreement by the successful applicant and the payment of \$50 less the \$10 already paid as a first deposit, for the payment of the balance by monthly payments as amortized in accordance with the table of the Department of Lands. The said table is based on 5 per cent. interest per annum and a 10 per cent. administrative charge added spread over 20 years. A large initial payment or deposit may be made or any number of instalments of the principal at any monthly date. Should any soldier settler desire to erect a dwelling exceeding \$2,000 in value he may do so upon having the plans thereof approved by the Minister of Lands, but the cost of such dwelling in excess of \$2,000 shall be met by the soldier settler, the equity of the Government remaining as a first charge against the property.

Facilities will be afforded men possessing the necessary ability to do the individual work themselves under supervision.

7. The first deposit shall be payable within three months from the date of the allotment of the homesite.

8. The soldier settler shall enter into occupation of the dwelling and commence the monthly payments as set out in clause (6) of these regulations on a date not less than thirty (30) clear days after the date of mailing or delivering to him a notice in writing that the dwelling is ready for occupation.

9. When the purchaser has made such payments as shall leave a balance due to the Government equal to the amount charged for the homesite, exclusive of the dwelling, such balance shall be rebated by the purchaser, provided that ten years' residence has been met and all other conditions have been complied with.

10. All dwellings erected on "homesites" shall be insured by the Department of Lands.

The soldier settler shall pay each month in addition to the payment under the amortization table an amount equal to one-twelfth of the premium of the policy or proportion of the policy, as the case may be, insuring his dwelling.

11. Occupation by the settler, personally or by his family, shall constitute residence. Leave of absence may be obtained on application to the Minister of Lands. Two months' absence without the Minister's approval will constitute forfeiture, and all payments theretofore made shall be deemed to be rental paid for occupancy.

12. If it becomes necessary for the settler to move before the contract or agreement has been completed, he may for sufficient reason be permitted to dispose of such land on obtaining the consent of the Minister of Lands. When any homesite is so resold by the Government to another soldier settler the time of residence of the preceding purchaser may in the discretion of the Minister be credited to the subsequent purchaser.

If a sale be made of the said property to any other than a soldier settler the balance remaining unpaid to the Government shall be paid by the purchaser on such terms as may be decided upon by the Minister of Lands, provided that the first payment shall be not less than 25 per cent. of the balance remaining unpaid.

13. Non-compliance with any of the above regulations will forfeit all claim to the property, but the Minister of Lands is hereby empowered to grant such extensions of time for payments as may in his discretion seem just, and to grant reasonable requests for removal, exchange, or withdrawal according to the merits of each particular case, and to make such disposal or settlement as may be deemed just and equitable.

14. The agreement may contain such other terms and conditions as are considered necessary.

15. Such forms as may be necessary for the information of intending applicants and the proper carrying out of these regulations shall be prepared under the direction of the Minister of Lands.
